

Position Description

Title:	GMP Warehouse Operator x 2
Department:	Operations
Location:	Limerick

The Company:

We are a multi-million-euro company that continues to grow and are part of the DCC Plc group. Our core strengths lie in supply chain management, and we work with brand name technology manufacturers & customers. We continue to develop innovative solutions at the leading edge of supply chain management and are constantly developing existing relationships and forging new customer partnerships.

We work with companies of all size and industry including the technology, consumer electronics, industrial, med tech and pharmaceuticals sectors. We have operations across Europe, the US and Asia. We are partnered with thousands of suppliers globally and have an international logistics partnership network spanning six continents. We are a leader in professional materials supply chain design & operation and are the only supply chain services company that can manage cost, capital and complexity for our clients.

We are currently expanding our business and are looking for someone who is passionate about the business of supply chain and who wants to be involved in an exciting and fast-moving growth environment.

We are an inclusive employer and welcome applications from people of all backgrounds and abilities. Please let us know if you require reasonable accommodation for the interview process and we will do our utmost to accommodate you.
